

## MENTORSHIP PROGRAM

A **FREE** mentorship program designed to match a current community college student with a UCR medical student to support, motivate and improve their professional skills to become future physicians.

### Program Benefits

Be mentored by a current medical student and gain the guidance to achieve your career goal

Increase motivation and confidence to pursue medicine

Learn to develop your resume/CV and personal statement

Develop strategies for dealing with personal and academic challenges

### Program Eligibility

Must be at least 18 years of age by September 1, 2021

Currently enrolled in a community college in Riverside and San Bernardino County

Must have strong interest in becoming a physician (MD/DO)

Interested in transferring to UC Riverside and has not completed an undergraduate degree

**APPLY NOW**  
to join the new  
mentorship  
program today!

**Application  
Deadline:  
October 1, 2021**
